

## Dog 2013 Gallery Calendar

A glimpse of pink tongue. The gentle arc of a tail. Expressive, soulful eyes, a downy triangle of ear, head tipped just so. In every image, the dogs playful and tender spirit is revealed. With hundreds of lively canine pals beautifully photographed in full color and black and white a sweet Golden carrying a slipper, a tiny Doxy on a giant chessboard, a dignified Briard sporting a snow-dusted beard, plus a lovable diversity of mutts Dog is a charming portrait of mans best friend and an endearing and elegant gift.
