

## Jason & Kyra

Kyra Evans isn't popular, or a girl who you stare at when you are walking down the hall. So why can't Jason-basketball star and the hottest guy in school-get her out of his head? Under normal circumstances, Jason and Kyra would live in their separate worlds up until graduation. But fate intervenes and the unlikely duo is paired up for a class project. Preconceived notions abound on both sides but Kyra soon realizes that Jason is not the dumb jock that she had assumed him to be. And Jason finds himself telling Kyra things he can't even tell his best friend. As the two become friends and eventually start to fall in love, no one in school can believe it-especially not Jason's ex, who is determined to break them up. Being together means navigating the obstacles that are coming their way-but staying apart may be impossible.
