

Sagittarius (Star Sign Relationships series)

This down-to-earth astrology guide examines how people interact with others of the same or different star sign, revealing the peculiar ways in which astrology influences relationships. Each sign combination receives a thorough analysis of its positive and negative aspects, including such topics as temperament, romantic compatibility, family life, friends and relations, and communication. Based on the compatibility of numerous sign combinations, predictions range from ideal matches to relationships that may never succeed. Delivering the good news as well as the bad, this helpful guide offers couples honest and valuable evaluations of the life they can expect together, with romantic full-color images featured throughout.
