

## Art of Claudio Aboy Vol 1

One of the hottest new fantasy and erotic illustrators to come out of Argentina (what DO they put in the water down there!?!), Claudio Aboy puts some serious sizzle in every one of his paintings! Equally adept at pencils, inks, and full color painting techniques, Aboy tackles each subject with consummate ease and stunning detail. Having worked for major film studios, design firms, and advertising agencies, to say he REALLY enjoys kicking back and painting beautiful women is...a bit of an understatement! And my, how he EXCELLS at that delightful hobby! See where all the heat is coming from with this first collection of his best works - oh boy, its Aboy!
