

Bases del maquillaje (Spanish Edition)

In this course you can learn the most important factors to take care of during a makeup session: face types, makeup colors, different products and their application, makeup equipment, and skincare. Perfect for the initiation of making-up knowledge. If you really want to apply makeup professionally, you need to have some knowledge about facial structure, makeup tools, and the different cosmetics to use. In this book and DVD, you can find all this information along with the corrections needed for all face components (nose, chin, eyes, eyebrows, forehead, and lips).
