

The Beginners Guide to Mantras: How to Use Sacred Sound to Create Abundance, Health, and Spiritual Insight in Your Life (Beginners Ser.)

Could the simple act of uttering a sacred sound influence the world around us? On The Beginners Guide to Mantras, listeners will learn how to use mantras - India's long-secret tradition of sacred sound syllables - to clear the mind, intensify meditation, remove hidden obstacles, and attract abundance in every arena of life, from careers to relationships to artistic pursuits. Thomas Ashley-Farrand - one of the West's leading authorities on mantras - teaches first-time practitioners how to intone these ancient chants with perfect precision - a key to their effectiveness.
