

## Davisons Textile Blue Book 2002

Davisons Textile Blue Book is the Bible of the textile industry. It has been published every year since 1866. This annual directory is an extensive compilation of mills, dyers, finishers, converters, jobbers, fiber, fabric and yarn resources, machinery, and other various suppliers and textile-related companies placed into approximately 2,000 different headings. It is the book that textile-related companies rely on when making purchasing decisions.
