

Union College 2007 (College Prowler) (College Prowler: Union College Off the Record)

College guides written by students for students. Union College Students Tell It Like It Is So, what makes Union different? Three things: 1) Incredible academics. There are very small class sizes and incredibly devoted professors with long office hours. Furthermore, it's easy to have an interdisciplinary major or to design your own major. 2) Funding. Although students are into doing their own thing, funding is available for just about anything. Want to start a club? Get 10 people and write a budget. Want to organize a protest in DC? Get an IEG (Intellectual Enrichment Grant) and/or a SEG (Social Enrichment Grant) or find funding from a particular department. 3) The Minerva System. No one knows where exactly the house system will take Union (the fraternities aren't quite in love with the fact that they've lost their housing), but it has the potential to add a lot to the campus. And what else do you need to know about Union? The night Abraham Lincoln was shot at Ford's Theater, a Union College alumnus was sitting next to him. Major Henry Rathbone tried to chase John Wilkes Booth and was severely wounded in the arm when Booth stabbed him. Will you, too, be able to join the ranks of such American heroes by attending Union College? Make sure you make the right decision: Get the lowdown from College Prowler first. Hear what the students have to say about Union, on everything from what makes the school unique today to what students love about the College's place in history. Find out if Union truly has something for you, straight from the students' mouths. Visiting campus isn't enough. Read our Union College guide and discover what it feels like to be on campus for 4 years. Discover if Union is Right For You.
