

Winning Teams--Winning Cultures

The practical, time-tested concepts in this book will provide you with benefits on three levels: Personal, Team and Organizational. You will be introduced to a set of universal principles of leadership and life effectiveness that will help you personally be at your best more of the time. Next, you learn how to be a better team leader and team player by gaining an understanding of the eight characteristics of a winning team. Finally, you will learn a proven process to create a winning culture for your group or your overall organization: one that ensures long-term success and a fully engaged workforce. These ideas and principals have been used to advantage by more than one hundred of the Global 1000 CEOs around the world, and by thousands of teams and leaders. Read the book to enhance your leadership and life effectiveness, to build your team or to play a role in creating a winning culture in your organization.
