

The Creative Quotient: Reach You Full Creative Potential

This book is showing you how to have unlimited originality by getting in touch with and understanding your own Creative Quotient (CQ). Unlike an IQ, it is something that can be developed specific methods presented. These methods have almost no age limitations, can show you how to work positively in a team and how to develop your full creative potential. It also provides practical, timeless methods to wake and warm up creativity, eliminating creative blocks. You will have more flexibility, spontaneity, and eliminate our biggest villain; self-judgment. You will also develop a healthy attitude about accepting feedback without feeling attacked. These ideas and can be applied to any field of work or play.
