

The Quran: The Basics

This second edition of a popular introduction to the Quran includes an essential updated reference guide, including a chronology of the revelation, links to internet resources, and suggestions for further reading. Exploring the Quran's reception through history, its key teachings, and its place in contemporary thought and belief, this volume analyzes: the Quran as the word of God; its reception and communication by the Prophet Muhammad; the structure and language of the text; conceptions of God, the holy law, and jihad; and Islamic commentaries on Quranic teachings through the ages. The Quran: The Basics, Second Edition is a concise and accessible introduction.
