

Teens and Morality (Being Real)

For many teenagers, its not cool to show interest in organized religion. They often believe that religion is something thats not quite real--at least, not as real as everyday experiences like family, friends, foes, school, parties, love, hate, anger, desire, and frustration. The Being Real series shows how Catholicism recognizes the realities of teenage life and calls teens to a higher ideal. Teens and Morality is about how being a good, moral person is hard work, but it is absolutely possible. Chapters in Teens and Morality include: Why Be Good Laws and Legalisms Moral Actor, Moral Acts Paths of Glory: Virtues Moral Heros
