

Neiman Marcus: Over the Top

Since 1939, Neiman Marcus has produced an iconic holiday book that features the most indulgent, outrageous fantasy GIFTS imaginable for the lady and gentleman who have everything. Over the Top spans decades of witty, exorbitant, and innovative luxury items with original imagery and excerpts from the department stores annual Christmas catalogue. Assouline presents this COLLECTION of the legendary retailers fabulously frivolous His and Hers offerings, including a pair of camels, customized action figures, and even yachts. Prepare to be lured into a world of whimsy, where robots serve chardonnay and sunsets are best enjoyed from the comfort of a personal blimp.
