

Embracing the Covenant: Converts to Judaism Talk About Why & How

This book is a practical and inspirational companion to the conversion process for Jews-by-Choice and their families. Written primarily for the person considering the choice of Judaism, it provides highly personal insights from over 50 people who have made this life-changing decision. But it also will speak to their families the non-Jewish family that provided his or her spiritual beginnings and the Jewish family which receives the convert and help them understand why the decision was made.
