

Credit Yourself with Success!: A Lifeline to Get Out of the Credit Pit

For years, many consumers have suffered through the aggravation, disappointment and embarrassment of getting the American dreams of owning their own business, going to college, owning their own home, or even buying a new or used vehicle because they lack the credit score needed to qualify, or they are weighed down with enormously high interest rates draining their pockets and bank accounts.

Now, you can help yourself out of the credit pits with more information and guidance on getting out of that big hole. You can improve your credit, restore your credit, even start a good credit history when you are armed with the right information. With *Credit Yourself with Success*, you will learn what affects your credit score, and what to do to fix the negative marks against it with this self-help guidebook. Get tips for the Dos and Don'ts of credit, how to dispute your errors, and who to contact for assistance in protecting your consumer rights. Find out how to build a better foundation in credit history for your business. For students, learn how to establish good credit so you don't miss out on getting that awesome job you've been in school for and spent all of that money for! The sooner you start practicing better diligence over your credit history with this book, the sooner you will be able to credit yourself with success!
