

## Daddy Please Dont Go!

Daddy Please Dont Go is a book for everyone and anyone who has been broken by life and people they trusted. It is for those who feel hopeless, or abandoned, and wonder if anyone cares.-- Experience a message of hope, redemption and transformation through the power of God.-- Be renewed by the Spirit of God-- Find that Jesus will do for you what a counselor cannot do, what money cannot buy, and what man cannot do for you; and -- Experience mental, emotional and spiritual freedom For far too long, many people have suffered in silence from the devastating effects of abuse. In this book, Shari Scott shares her life experiences in hopes that others who have encountered rejection, mistreatment, shame, abuse, loneliness and pain will gain hope, insight and ultimately freedom from their malevolent effects. Dont let another moment go by holding on to the pain of your past. Reach for a life full of love, peace and joy. It can be yours simply for the asking!
