

The Consulting Interview Bible

Quick Overview: The ultimate interview guide for prospective management consultants; includes 50+ Fit Questions, 4 Key Frameworks, and 16 Business Cases to practice solo or with a partner. Consulting interviews are the most challenging interviews you will face - ever. Including oral business exams, presentations, mental math, case questions and personal experience pressure - testing in multiple rounds, the assessments are extensive and rigorous. Your entire career trajectory hangs in the balance. Do you want to just read about consulting - or do you want to actually prepare? As former McKinsey & Bain consultants, we developed extensive systems & practice plans to break in to the industry - methods that we've now shared with thousands of successful clients around the world. We walk you through how to prepare - step-by-step - with actual practical exercises to complete that will take you from novice to offer. Included in this book: 50 + fit interview questions/answers
27 partner practice cases (with answers)
4 easy-to-use frameworks Scoring guides 300+ pages of insider secrets to consulting cases, PSTs and fit interviews
This guide is a MUST HAVE for consulting interview preparation.
