

Kabbalah (ULCMM Divinity) (Volume 15)

Commonly perceived as a form of ancient Jewish mysticism, Kabbalah has become the center of widespread public attention in recent years owing largely to its increasing popularity among famous celebrities in the entertainment industry, who perhaps seem to have turned the once exclusive and sacred esoteric tradition into the latest highly publicized Hollywood trend. Despite the recent celebrity fascination with it, Kabbalah is one of the oldest religious disciplines of the world whose origins are believed by some Kabbalists to in fact predate the major world religions of today. This book is brought to you by the Universal Life Church Monastery of Massachusetts.
