

The Encyclopedia of Mind, Magic and Mysteries (Encyclopaedia of)

This encyclopaedia brings the mysterious ingredients of the occult, supernatural, and unexplained into the open and on to the page. A practical reference book, it shows you how to find water or coins with a dowsing rod, how to read the future with tarot and playing cards, how to chart ley lines, how to understand your dreams, and much more. It is organized thematically, for easy reference, so that you can explore the magic and mysteries of ancient civilizations; the world of telepathy, premonitions, and prophecy; and the enigmas of ghosts, apparitions, and psychics.
