

This new casebook on retailing contains 18 up-to-date cases contributed by a team of 22 authors from universities teaching retailing in the UK. The cases focus on the type of operational problems or issues likely to face young graduate managers in multiple retail businesses. The collaboration between major retailers and academic institutions has resulted in each case taking a highly practical, problem-solving approach.

Monopoly Rules: How to Find, Capture and Control the Worlds Most Lucrative Markets in Any Business, The Grandees: Americas Sephardic Elite, The Girls Guide to Loving Life (Volume 1), Freak Show, The Everything Kabbalah Book: Explore This Mystical Tradition--From Ancient Rituals to Modern Day Practices (Everything (Religion)), PCR (THE BASICS (Garland Science)), The History and Philosophy of Art Education (Paperback) - Common,
