

Know What You Want and Get It!

Once you determine exactly what you want, your mind will guide you directly to the target. These are the words that Norman Monath, determined to become a publisher, used when, starting his career in the Simon & Schuster mailroom. He eventually rose through the publishing ranks and became the founder and publisher of his own house, Cornerstone Library. Through the many bestselling inspirational and self-help books he published, Monath learned all the top techniques for achieving success. Here he shows you how to make them work by:- Determining what you really want- Attracting good luck- Putting the intellectual strength of others to work for you- Concentrating on the present moment- Thinking three-dimensionally- And much, much more . . . Through this, the only book that shows you how to take the first and most important step towards achieving your goals, you will learn how to . . . Know What You Want and Get IT!
