

Hebraic Ethics: Concepts For Better Living

HEBRAIC ETHICS: Concepts For Better Living is a work intended to assist the servants of YAH in their daily application and living of Towrah. The principles contained in this book are NOT meant to be authoritative (only TOWRAH is authoritative); instead, this book should be viewed as a manual of ethical maxims to bring Towrah principles into everyday practical usage. Many of our people are not Towrah scholars, Hebrew language experts or the like. Most of our people are simply hungry souls trying to learn Towrah; not to offer scholastic, philosophical treatise, but to simply LIVE it. to make it relevant in real time.
