

So Much Closer

Another contemporary thought-provoking romance from Susane Colasanti! When Brooke discovers that the love of her life, Scott Abrams, is moving from their New Jersey suburb to New York City for senior year, she decides to follow him there. Living with her estranged father and adjusting to a whole new school are challenging--and things get even worse when she finds out that Scott already has a girlfriend. But as she learns to navigate the big city, she starts to discover a whole new side of herself, and realizes that sometimes love can find you even when you're not looking for it.
