

Financial Analysis and Coaching Tools for the Salon and Spa (CD Version) (Business Essentials)

Miladys Financial Analysis and Coaching Tools CD-ROM provides some of the most powerful business tools an industry professional can own via Excel spreadsheets. Our team of experts has worked diligently to provide the user with easy, step-by-step audio tutorials and spreadsheets designed specifically to help set-up and manage a business more effectively and stay profitable all year long. An accompanying workbook is included and provides suggestions and directions to implement these practical spreadsheets. As an added bonus, a QuickBooks Chart of Accounts template is included that is an easy reference when setting up or altering a current chart of accounts.
