

Jewish Continuity in America: Creative Survival in a Free Society (Judaic Studies Series)

Abraham J. Karp's *Jewish Continuity in America* focuses on the three major sources of American Judaism's continuing vitality: the synagogue, the rabbinate, and Jewish religious pluralism. Particularly illuminating is Karp's examination of the coexistence and unity-in-diversity of American religious Jewry's three divisions -- Orthodox, Reform and Conservative -- and of how this Jewish religious pluralism fits into the larger picture of American religious pluralism.
