

More Jolts! Activities to Wake up and Engage Your Participants

Praise for Thiagi's first Jolts! If you facilitate group learning or change management, you won't want to miss this one! Elaine Biech, author of *Business of Consulting and Training for Dummies* A valuable addition to any trainer's bookshelf. Jean Barbazette, president, The Training Clinic, and author of *The Art of Great Training Delivery and Managing the Training Function for Bottom-Line Results* As a Charter Member of BFT (Borrow from Thiagi) Club, I've been adapting Thiagi's training activities for decades. . . . Use the jolts from this book as a way to instantly and successfully engage your participants with your topic. Steve Sugar, author of *Games That Teach* In his popular first collection of games, *Jolts!*, renowned trainer and game expert Sivasailam Thiagi Thiagarajan (writing with Tracy Tagliati) handed trainers well-designed games to engage and energize participants, clarify complex ideas, and solidify concepts in participants' minds. Now Thiagi zaps us again with *More Jolts!*, a collection of 50 brand-new, ready-to-use jolts that share new ways to capture participants' attention; smooth transitions; keep participants alert even after a break; tap the wisdom of the group; and spice up lectures with relevant activities. The book even identifies the jolts that can be seamlessly incorporated into your next e-learning project or interactive webinar. Brief, engaging, and easily adaptable to your purpose, *More Jolts!* gives you everything you need to pump up the energy and effectiveness of your training programs.
