

Business Law Battle Plan for Entrepreneurs: Protect Your Company from Lawyers, Lawsuits and Legal Disasters

In this ground-breaking book, business attorney Marjorie Jobe exposes the injustices that exist in the legal system today along with shocking case reports taken straight from the real world. Also included are critical strategies that you must incorporate into your own legal battle plan to protect your business, your personal assets, your family and your future. This essential business guide will teach you how to:

- Prevent employee lawsuits through proper hiring and firing procedures
- Develop protective business contracts
- Limit cyberspace liability
- Decide when to sue and when to walk away
- Control your own lawyer
- Protect your rights if you are ever targeted for a Federal investigation
- Ask the right questions when hiring an attorney
- Safeguard your assets with marital property agreements
- Identify the types of insurance you should carry
- And so much more

Legal issues are often financially and emotionally devastating, not to mention the damage that can be caused to your reputation. The Business Law Battle Plan for Entrepreneurs reveals the frightening consequences of not taking the appropriate actions early on and gives you the sound guidance you need to keep your business out of the courtroom. Don't wait until it is too late. This book could very well save your business.
