

Sorcerers Disagreements, Book 3: A Facade of Freedom (Volume 3)

In A Facade of Freedom, don Jesus elegantly utilizes analogies to teach Seekers how they can find freedom from their limitations. With the awareness of our spiritual strengths we can avoid the pitfalls of anger, which come from fear of our lack of knowledge. Contrary to what society teaches us, there is not always an end to all great challenges, and hard work will not always result in a final moment of triumph. Yet, this is the platform which countless frauds utilize to claim mastery of a discipline, which by its very nature is impossible to master. Upon determining to traverse the Warriors path, Seekers often find themselves overwhelmed with the immensity of the challenge. The Sorcerers Disagreements book series is designed specifically for those steadfast in their efforts to find spiritual freedom, while navigating through brazen attempts to commercialize knowledge. In each installment don Jesus addresses, examines, and expands upon various concepts pertaining to the Toltec discipline, often in contrast to how self-named masters present similar information.
