

Music Business Goal Planner (52 Weeks to the Record Deal, Publishing Contract, and Income You Want)

If you're sick of spinning your wheels and spending week after week without getting ahead in the music business, Music Business Goal Planner (52 Weeks to a Record Deal, Publishing Contract, and Income You Want) is for you. This one year goal planner will help you with:

- * Finding and defining your goals. Clarity is the number one reason for success in the music business and this goal planner will help you to focus in on what is important to you with simple and effective steps that add up to big results.
- * The ability to make a decision! Let's face it, it's not always easy to know which choice to make. The Music Business Goal Planner will help you make clear and focused decisions with ease.
- * Direction. Think of your music business career as a road trip. You would never leave home without a being prepared for a road trip. The Music Business Planner is the industry roadmap you need! If you're ready to move forward in the music industry, this book is for you. If you want to be more efficient and get more accomplished, this book is for you. Regardless of what your music business goals are, this book will help you. The Music Business Goal Planner will:

- * Identify Your Goals
- * Motivate You
- * Organize Your Priorities
- * Establish Personal Accountability for your Musical Success

That's just the start. This book is over 160 pages of forms and commentary to get you organized, motivated, and in control over your music business dreams. And let's talk about dreams. If you don't write down your dreams, they're just that...dreams. And dreams rarely happen... But what about goals? Goals do happen! Write down your dreams, organize them into goals, and make things happen.
