

## My Life and Other Accidents

Harriet Smythe is a wealthy upper middle class businesswoman who has the lifestyle most of us can only dream of. Then a handsome scoundrel enters Harriets life and her world falls apart. She loses everything: her home, her business, and her husband. With her marriage in tatters, Harriett is forced to claim benefits to live in rented accommodations in a rough area. She must travel on public transport and deal with petty officials, as well as learn to survive in a very different environment. Against the odds, Harriet tries to make a new life for herself and her family. Read about Harriets ups and downs in this humorous portrayal of a single mother at her wits end. My Life and Other Accidents will leave you wanting more! Rebecca Sampson is a single parent living near Portsmouth, England, where Charles Dickens was born. She offers writers workshops and has now written seven books. I wanted to show through the medium of comedy the type of experiences thousands of parents go through on a daily basis. Her favorite author is Agatha Christie. Publishers website: <http://sbpra.com/RebeccaSampson>
