

One Way (Orca Soundings)

Riding the wrong way up a one-way street, Kenzie takes his eyes off the road and hits a pedestrian. And not just any pedestrian. It's his ex-girlfriend, Stassi. Was this a freak accident? Or something more sinister? And when the police come to talk to him, it becomes clear that everyone thinks he had a reason to hurt her. Kenzie ends up in a fight to prove his innocence, even as he begins to question it himself.
