

## New England Stripers: A Fishing Anthology

Hear from more than two dozen of the most original and experienced voices at On The Water magazine as they share their tips and techniques for catching the beloved striped bass. If you want to catch more striped bass in more places, you'll find the keys in the first two sections, Striper Destinations and Tackle & Techniques. For some of the finest writing about the sport of striped bass fishing, open up to the third section, Striper Tales.
