

Shorten Your Job Search: Build Confidence, Communicate Your Value and Land Your New Job!

Shorten Your Job Search by Lloyd L. Feinstein A job search in today's competitive market environment can easily take a year. Using the tools provided in Shorten Your Job Search, you can get ahead of the pack and land in months. The guidelines provided in the book are from a former Human Resources Director for a major Wall Street broker, co-author of Career Changing: The Worry-Free Guide and Career Counselor for the past 27 years.

Our step-by-step program will show you how to accomplish this achievement. Here's a peek. Learn how the job market really works and discover a better audience for your new resume. To help you I've condensed these break-out job skills into the following issues: 1. How to compete in this competitive job market. 2. How best to communicate your VALUE.

Shorten Your Job Search uses a fun and fast-paced narrative with abundant true and sometimes surprising success stories that enhance the lessons. Interactive quizzes drive the points home. Introducing the Success Resume format, also called the Marketing Resume, provides many surprises as sections are reviewed and its world-beater impact revealed. Of course you'll be guided through the steps to create your own Success Resume. Using two universal Transferable Skills your resume will proclaim its head and shoulders above others while demonstrating skills that address hiring managers' needs. The Storytelling Method you'll practice provides the best way to present your work accomplishments. And finally we'll cover 4 ways to find work and the strategies to use Before, During and After the interview. Throughout the counseling program you'll learn PERSONAL SELLING SKILLS while preparing your Success Resume. Bottom Line: Completing our program, you'll have an actionable path to shorten your job search, generate faster responses and land a better job. When you go on

interviews you'll know exactly what to convey and why because you created support materials for your job search, reviewed critical issues and benefited from the sales nature of job hunting.
