

High-Tech Etiquette: Perfecting the Art of Plugged-In Politeness

Research has shown that communication skills are the most essential ingredients to success at home and in the office. Vast changes in electronic communication have impacted our fast-paced, global world. What image do you project when you write e-mail, send faxes, record voice mail or leave phone messages? High-Tech Etiquette applies the most up-to-date information on etiquette to the high tech world in a humorous, concise and clear manner.
