

Success, as it is currently defined, usually depends on winning--beating the competition--which often places incredible pressures on business professionals. With engaging writing and a lack of jargon, this book navigates executives, managers, and supervisors through the ethical decisions they must make every day. Street-Smart Ethics is divided into three sections: a primer on ethics, a collection of Proverbs-based guidelines for staying out of trouble, and a self-test that contains true-false questions and ethical brainteasers.

Retailing, Consumption and Capital: Towards the New Retail Geography, Canada Job Superbook Book 21. Canadian Movie-Making-Performing Arts Job Guide, The Vampire State: And Other Myths and Fallacies About the U.S. Economy, Cleft Palate Speech Management: A Multidisciplinary Approach, the stockbrokers RIPOFF!,
