HRH PRINCE GHAZI BIN MUHAMMAD, CHIEF ADVISOR FOR RELIGIOUS AND CULTURAL AFFAIRS TO H. M. KING ABDULLAH II, AUTHOR OF LOVE IN THE HOLY QURAN. Those who read translations of the Qur an (and there are no completely accurate translations of the Qur an in English and only a few adequate ones (these being arguably Abdullah Yusuf Ali s; Mohammed Marmaduke Pickthall s), Laleh Bakhtiar s translation is arguably the most internally consistent. They are not reading the Qur an, but rather mere subjective individual interpretations of it: the Qur an is God s Word in its Arabic form only. The work Dr. Bakhtiar has put into her interpretation the consistency, the method, the attention to tense, root, case and detail is second to none. I have never seen its like before. The English reading of it is also lovely and smooth. This is clearly a blessing God has blessed her with, ma sha Allah. H.R.H. Prince Ghazi JOHN ESPOSITO, HEAD OF GEORGETOWN UNIVERSITY CENTER FOR MUSLIM/CHRISTIAN

UNDERSTANDING. I am very familiar with Laleh Bakhtiars writings and her recent translation of the Quran. Sublime Quran is a major translation that, in contrast to many other translations, in clear and direct language, effectively makes the message of the Quran accessible to English speaking audiences. It is one that I often recommend. REZA ASLAN, AN INTERNATIONALLY ACCLAIMED WRITER AND SCHOLAR OF RELIGIONS AND CONTRIBUTING EDITOR AT THE DAILY BEAST. I am quite a fan of your mothers and routinely talk about her Quran translation in my speeches and in my classes. Heres a quote for you: For 14 centuries the translation and interpretation of the Quran has been the sole purview of men. Only men have been empowered to define the meaning and

message of the Quran, and it is no coincidence that their interpretation has often been misogynist or worse. Laleh Bakhtiars incredible achievement has changed all that. For the first time a woman has been able to reengage the scripture from a different point of view, thus producing a gender neutral translation that is far more consistent with the message and spirit of the Quran than any previous translation. REZA ASLAN SHAIDA KHAN EXECUTIVE DIRECTOR OF THE DOMESTIC HARMONY FOUNDATION, a non-profit organization working against domestic violence within Muslim, Middle Eastern and South Asian communities (based in Long Island, NY) Laleh was the keynote speaker at their Annual Fundraising Gala on April 17, 2010 in Long Island, NY. There are numerous reasons for the importance of Laleh Bakhtiars translation of the Holy Quran, the least of which is that her Sublime Quran provides a sensible and humanistic interpretation for the holy book. As the Executive Director of the Domestic Harmony Foundation, a non-profit organization working against domestic violence within Muslim, Middle Eastern and South Asian communities, this interpretation of Ms. Bakhtiars is particularly significant. We are often faced with individuals who are victimized by their partners usage of Quranic verses to further their abusive gains, citing the controversial verse 4:34. Her interpretation provides a more Islamic minded approach- that when all else fails, to move away from - the wife should be the last resort, and not to hit. This meaning is particularly important in our field of work when the victims and the abusers need to be educated as to the real nature of Islamic teachings.
