

Tafsir Ibn Kathir Juz 20 (Part 20): An-Naml 56 To Al-Ankabut 45

This is Part Twenty of an abridged English version of Tafsir Ibn Kathir. Our aim in presenting the tafsir of the entire thirty parts of the Quran is to gather in one place, for the English-speaking public, all relevant information needed to make the Quran more understandable and easier to study. These thirty tafsir books try to do this by providing the following: 1. The Arabic Text for those who are able to read Arabic 2. Transliteration of the Arabic text for those who are unable to read the Arabic script. This will give them a sample of the sound of the Quran, which they could not otherwise comprehend from reading the English meaning. 3. The meaning of the quran (translated by Dr. Muhammad Taqi-ud-Din Al-Hilali, Ph.D. and Dr. Muhammad Muhsin Khan) 4. Background introductions by two famous Islamic scholars, Maududi and Ibn Kathir 5. Explanation (abridged Tafsir) by Ibn Kathir (translated under the supervision of Safi-ur-Rahman al-Mubarakpuri) We hope that by doing this an ordinary English-speaker will be able to pick up a copy of this book and study and comprehend The Glorious Quran in a way that is acceptable to the understanding of the Rightly-guided Muslim Ummah (Community).
