

## Sun & Moon Gift Set: Taurus

A beautiful book and card set to help analyze the moons influence on Taurus, providing a personalized, in-depth profile of this stable earth sign. By combining a description of the physical, intellectual, and emotional traits common to those born under the sign and detailing how the moons position affects Taureans, the Sun & Moon Signs guide provides a complete profile of Taurus that other astrology books cant match. This gift pack also includes a set of twelve illustrated note cards depicting each sign of the Zodiac. Written by Derek and Julia Parker -- two of astrologys most respected experts and authors of The Compleat Astrologer and Parkers Astrology.
