

## The Complete Idiots Guide to Business Plans Plus

The right way to start a business. This book includes all the invaluable information from The Complete Idiots Guide(r) to Business Plans, Second Edition, but adds a content-rich CD-ROM, featuring more than 90 time-saving planning tools, business forms, and financial worksheets to help entrepreneurs prepare, write, and make the most of their business plans. According to the Small Business Administration, in 2007, the number of new businesses was 680,000, and that number is expected to be higher in 2011 as the economy drives people into starting their own businesses. Features eight business plans covering a broad range of businesses. The new CD-ROM is user-friendly, up-to-date, and content-rich.
