

The Interview Kit

The new revised edition of The Interview Kit shows job seekers how to succeed in any interview. With answers to over 500 tough questions and strategies on what to say and how to say it, interviewees need never be tongue-tied again. The Interview Kit offers five proven strategies for making the best impression and expert advice on negotiating salary and benefits after the successful interview. This new and updated edition is better than ever, with new advice on what to do when the interview doesn't go well. Based on his three decades of career experience and research, Beatty provides the proven advice, step-by-step guidance, and all the essential tools job hunters need to succeed.
