

Everything Job Interview Book

No matter how good your resume looks, you know you can't get a job without passing the interview. It's your best chance to showcase your skills, and to convince a potential employer that you are the best person for the job. The Everything Job Interview Book teaches you all you need to know to interview successfully - from what to wear, when to arrive, and how to introduce yourself on the big day, to famous last words and what to write in a follow-up letter. Packed with hundreds of real life interview questions - and the answers employers are looking for - this is the only book you'll need to ace the next big interview. The book is perfect for any job hunter - from recent college grads looking for that first job to seasoned professionals who are switching careers. Get the inside scoop on how to: Land an interview Avoid common mistakes many jobseekers make Research a potential employer and formulate industry-specific questions Make a first impression that will last Take computerized interviews and tests Field tough questions for recent graduates and career changers Survive the second interview and beyond And much more! Whether you suffer from pre-interview jitters and sweaty palms, have concerns about how to address tricky questions like salary and experience, or wonder about correct interviewing etiquette, The Everything Job Interview Book has the answers you need to get the job you want!
