

Julios and Julitas Wonderful Adventures

Hi. Our names are Julieta and Julio. We are 11 year old twins. We were born on October 24, 2000. We live in Guatemala in a little town named Santa Rosa. Its little, but it has so many wonderful people. Next to our house is my Aunt Marias house. Then there is my friend, Andreas house. We go to a school very close by, named Santa Rosa Escuela. We live with my grandma, grandpa, mom, and dad in a little house. Every day we play with our friends in their house. We have so many fun and wonderful adventures to talk about with you.
