

The Kosher Pig: And Other Curiosities of Modern Jewish Life

From Booklist Rabbi Israel's collection of essays is about modernity and being Jewish, about the ironies that result from trying to appropriate the Jewish tradition while at the same time attempting to live fully in the modern world. Israel discusses such important topics as keeping kosher (there is a separate essay on kosher wine), praying, synagogue attendance and decorum, hospitality, fasting, weddings and funerals, sports, spiritual discovery, and even bees (the author is a beekeeper, and, yes, so he argues, Jews can eat honey). Israel, director of the Rabbinic Program at the Reconstructionist Rabbinical College, writes with a touch of humor, but his underlying message is thoughtful and astute. Both Jew and non-Jew will enjoy the book. George Cohen Reflections on the mismatch between traditional Jewish living and contemporary lifestyles. Richard Israel was the only rabbi in Bombay, India, a beekeeper, a successful marathon runner, and the director of Hillel Jewish Student Centers on various college campuses. These diverse experiences give him a unique vantage point on the chaos which is modern Jewish life. He gets caught in the tension between being a traditional Jew and being a modern American...and suspects that, indeed, he may be neither. Torah Aura Productions publishes books for Jewish schools and families that help celebrate our heritage and our faith. We have over 25 years of experience as the leading creator of high quality educational materials that enable Jewish children to become empowered Jewish adults. Our books guide and enhance the Jewish knowledge, spirituality and identity of children and their families, and our innovative tools bring Judaism alive in synagogues, Hebrew schools, and day schools. Torah Aura Productions was founded in 1981 by a group of innovative Jewish educators who looked out at the field of Jewish education and found materials that were shallow and

dull. They started a company to create new tools for families and teachers that would be exciting and meaningful. For more than two decades, Torah Aura has revolutionized the way Jewish schools enable their students to become empowered Jewish adults, and has helped families make Judaism a meaningful presence in their homes. Some of the areas we publish in:- Torah and Bible- Talmud- Jewish teaching- Jewish parenting- Jewish ethics and values- Jewish holidays- the Jewish lifecycle- Israel- Hebrew- Jewish prayer Torah Aura Productions: Making success in Jewish education an achievable reality.
