

## Train Like a US Marine

Fitness is essential to the day-to-day effectiveness and combat readiness of the United States Marine Corps. The Physical Fitness Test has three events, pull-ups (Flexed-Arm Hang for females), abdominal crunches, and a 3-mile run. How many pull-ups can you do in a row? How many crunches can you do in 2 minutes? How long does it take you to complete a 3-mile run? Train like the bravest following the training routine in this book. Ben Gamon aka Benergy aka the excuse breaker has been working in the fitness industry for over 10 years in California. He has put all his knowledge of training for weight loss, bodybuilding, running, and sports medicine in his books. Ben has a passion for helping others, whether it is his family, a client or some random stranger. He likes to train, to empower and to see people succeed in their goals. Ben Gamon holds numerous certifications from the National Academy of Sports and Medicine, including a weight loss specialization. He is an expert in the art of body transformation and has changed the life of thousands. Ben Gamon is a certified personal trainer, a corrective exercise specialist with a specialty in sports medicine, and a performance enhancement specialist.
