

## Wheres the Box?

When there is no box, the possibilities are endless. Start out by thinking that money, time and staffing is not anything you have to worry about. You probably do have to take them into consideration, of course, but the ideas will flow better if you dont limit your thinking around resources. Our experience is that even when we think we dont have the resources, if the idea is good enough, we find a way and it is never a problem. So, go beyond thinking outside the box. Throw the box away and be as innovative and fun as you can be. Encourage your team to think the same way and mine those crazy ideas! Some of the best ideas start out as crazy ones. In fact, most of the innovative things that all of us use every day probably started out as someones crazy idea. Now, where is that box?
