

Why Great Leaders Dont Take Yes for an Answer: Managing for Conflict and Consensus

Harvard Business Schools Michael Roberto draws on powerful decision-making case studies from every walk of life, showing how to promote honest, constructive dissent and skepticism; use it to improvedecisions;and alignorganizations behind those decisions. Learn from disasters like the Space Shuttle Columbia and JFKs Bay of Pigs Invasion, from successes like Sid Caesar and Bill Parcells, from George W. Bushs decision-making after 9/11. Roberto complements his compelling case studies with extensive new research on executive decisionmaking. Discover how to test and probea management team; when yes means yes and when it doesnt; and how to build real consensus that leads to action. Gain important new insights into managing teams, mitigating risk, promoting corporate ethics, and much more.
