

Wisdom of Tarot - The Golden Dawn Tarot Series 1

It is with great excitement that we introduce the first volume of the The Golden Dawn Tarot Series, a collection of distinguished books on Tarot written by leaders of the Golden Dawn Tradition. The first book of this series, *Wisdom of Tarot*, represents some of Paul Foster Cases earliest thoughts on the subject. Though almost two decades will pass before the publication of Pauls masterpiece, *The Tarot, A Key to the Wisdom of the Ages*, all of his essential thought can be found in these pages as well as additional material that has not been available to the public for over 75 years. This book, and its more advanced companion, *Tarot Revelations*, were originally distributed as *Tarot Instruction, Section First* and *Tarot Instruction, Section Second*. These texts followed Sections A, B, C, and D and came before the *Hermetic Alchemy: Science and Practice* course in the original *School of Ageless Wisdom* course curriculum. Sections A, B, C, and D were recently published as *The Early Writings, Volume 1* and *2* by the *Fraternity of the Hidden Light*; *Hermetic Alchemy: Science and Practice* was recently published by the *Rosicrucian Order of the Golden Dawn* as the second volume in the *The Golden Dawn Alchemy* series. With the publication of these texts, the entire course curriculum of Paul Foster Case, as distributed by the *School of Ageless Wisdom*, is now available to students of the *Golden Dawn Tradition*.
